## **Real Estate Education**

Work toward a career in real estate!  
Grambling State University/  
Arizona State University Partnership

### **Take ASU Courses online – earn GSU Credits\***

- Pre-Class Info Session – admitted students attend a ZOOM kick-off session prior to the start of classes to provide information, expectations, and strategies for success.
- Regular grade progress reports provided by faculty.
- Peer mentoring – students are paired with an on-campus peer mentor to provide accountability and progress checks.
- Monthly check-in with faculty – faculty reach out to students regularly via email throughout the semester.
- Career sessions with industry professionals – invitations to speak over ZOOM with industry professionals about career options and engagement opportunities.
- Dedicated staff to help with admissions, transcript transfer and any other questions that may arise.

**\*ASU Real estate courses count as management electives for management majors or a free business elective for other business majors at Grambling State University.**
